

## Montering af Bastalto scene

*Assembly of Bastalto scene.*

Scenen bliver leveret samlet. Der medfølger et vinkelbeslag som kan montres på væggen, dette støtter bagkanten hvis scene skal have ekstra stor belastning eller skal stå for sig selv.

Der medfølger ikke skruer til montering i væg

*The scene is delivered assembled. An angle bracket is included, which can be mounted on the wall, so it support the backend. Use the angle bracket if the scene must stand an extra heavy load or must stand by itself.*

*There are no screws included for wall mounting.*
